TO ALL THOSE WHO PARTICIPATED IN THE *RUSH TO INFINITY*:

We would like to apologize for the long queue upon reaching the finish line. We understand that this mistake caused confusion among the runners as to where they should go in order clock-in their finish times. We also apologize to those who were not able to set new personal records or were hoping to beat their previous times because of this mistake. We will be making adjustments to the official race results to offset the time that was spent waiting at the finish line queue.

Furthermore, I take full responsibility as race director for this mistake as it was purely technical in nature. This error cannot be attributed to *Rush Fitness Water* and *Mizuno*, as well as the other event sponsors.

The **Official Race Results** shall be posted at <http://runrio.com>. Should you have any comments, suggestions or other feedback, feel free to email us at feedback@runrio.com. We hope that in spite of everything, you were able to enjoy the race. We look forward to seeing you at future race events!

Sincerely,

RIO DELA CRUZ
Race Director
